Recreational 2008 Fall Soccer Late Registration

Fall season league play runs from September - November; SHU offers both boys and all-girls divisions. Games played in the Southern Highlands® community [1]
Boys and girls born 8/1/01 – 7/31/04 are eligible for Fall 2008 season play

LATE REGISTRATION PERIOD: JULY 1 – AUGUST 1

TWO WAYS TO REGISTER FOR YOUR CONVENIENCE!

1. ON-LINE REGISTRATION

SHU offers on-line registration for the Fall 2008 season. Go to www.southernhighlandssoccer.com for on-line registration. *Players that register on-line before the June 30, 2008 deadline receive a \$5 discount!*

2. MAIL-IN REGISTRATION

Use the form on the reverse side of this flyer, and follow the instructions at the bottom of the form.

HOW LATE REGISTRATION WORKS: Players that register late are not placed on teams until after all on-time registrants are assigned. Players are placed on a first-come, first-serve basis; however, the player's past membership in HUYS and/or the player's geographic location are also considered. If we are in need of a coach in a particular age division, and the parent of a late-registering player signs up to coach a team, the player is placed immediately. If we are unable to place a player on a team we will refund the registration fee (less a \$10 administration fee). **As of the June 30 on-time registration deadline we still have openings available in all age groups.**
