## SPRING 2008 COACH INFORMATION

Thank you for your interest in coaching with Henderson United Youth Soccer (HUYS). We are committed to providing continuing education to all of our coaches – *no experience is necessary!* A list of pre-season events has been included on the back of this sheet. Please mark these important dates on your calendar.

**COACH DAY/ROSTER PICKUP:** We will distribute Coach Packets, which include team rosters, rulebooks and coach kits for the Spring 2008 Season, on **HUYS Coach Day**, which is scheduled as follows:

**Location:** Community College of Southern Nevada (CCSN) – Henderson Campus, Room B207  
**Date:** Saturday, February 16  
**Time:** Anytime between 11:00am – 1:00pm

If you are unable to attend Coach Day, please arrange for someone to pick up your Coach Packet so that you may begin team practices as soon as possible.

**COACH TRAINING:** In order to provide the optimum environment for player development, HUYS is asking all coaches to attend an **HUYS Coach Clinic** which is appropriate for the age division in which they are coaching (coaches who have already been licensed for their age division are not required to attend, but are certainly welcome to further their coaching education). See the schedule on the back of this sheet for coach training dates and locations. **Coach Clinics are paid for by HUYS.**

Additional training will be provided through the **Player Technical Training (PTT)** program, which will be held on Monday nights during the season beginning **March 31** at Anthem Hills Park. PTT is an opportunity for **U5-U7** players in HUYS to learn and develop their individual soccer skills, and is an educational opportunity for our coaches. HUYS coaches are encouraged to attend and participate. PTT is staffed by the coaches of our competitive soccer club, the **Heat FC**, and is coordinated by HUYS Director of Coaching Ric Grenell. *PTT is intended to supplement your regular team practices, not replace them.*

HUYS coaches that do not have a current National Youth Sports Coach's Association (NYSCA) certification should attend the **NYSCA Coach's Certification Clinic** on **Saturday, March 1**. This national program is designed for coaches of all youth sports and provides significant liability protection for coaches who complete the course.

Please review the dates listed on the back of this sheet, and send an e-mail to [info@hendersonsoccer.com](mailto:info@hendersonsoccer.com) to reserve your spot in one of the Coach Clinics. NOTE: some dates, times and locations are tentative and will be confirmed soon. Check the website at [www.hendersonsoccer.com](http://www.hendersonsoccer.com) for updates.

**UNIFORM/SCHEDULE DISTRIBUTION:** Uniforms and schedules for the Spring 2008 Season will be distributed at **HUYS Team Day on Saturday, March 1, anytime between 11am - 1pm**. Coach, if you are unable to attend HUYS Team Day, send a team representative to come and pick up your uniforms and schedule.

**COACH PASSES:** HUYS requires all coaches to have a coach identification pass available for presentation at the games. Coach passes issued in Fall 2007 are valid for the Spring 2008 season. If you do not have a coach pass from the Fall 2007 season, you will need to complete our Coach/Team Official Registration form and our SAY Volunteer Application form, and provide a 1" x 1" photo (or send a digital photo via e-mail) for your coach pass.

**LEAGUE COMMUNICATIONS:** HUYS frequently uses e-mail to communicate with our coaches. Please provide us with your e-mail address to insure that you will receive league communications. If you do not use e-mail, you may wish to select a team parent to be responsible for your team's communications with the league. You can contact HUYS via e-mail at [info@hendersonsoccer.com](mailto:info@hendersonsoccer.com), or via voice-mail at 568-0400.
